

New Zealand Steel. Made to last.

These tiles were made
with ZINCALUME® - manufactured and
supplied by New Zealand Steel.

Since 1989 New Zealand Steel has worked alongside
Ross Roof Group, supplying premium materials for use in
the production of their high-quality roofing tiles.

Made from local materials and rigorously tested in New Zealand's
harsh and variable conditions, ZINCALUME® is backed by
New Zealand Steel's extensive warranties.
